

USTPA Competition Points Chart

The USTPA is proud to recognize our leading riders in each rating throughout the year and recognize our Year-End World Champions and Reserve World Champions in each of our seven rider rating categories. Leading rider rankings are calculated on the point system detailed in the diagram below. The top rider with the most points in each rating at the end of the show year is the USTPA Year End World Champion and the rider with the second most points is the USTPA Year End Reserve World Champion.

Due to their specialization, the following classes are not included in the calculation of Rider Points:

Jr. Youth Penning | Sr. Youth Penning | Jr. Youth Sorting | Sr. Youth Sorting | Masters Penning | Quick Draw Penning
